The image features a dark blue, textured background with a repeating pattern of gold-colored hexagons. The hexagons are arranged in a staggered grid, creating a honeycomb-like structure. The gold lines are thin and have a slight sheen. In the bottom right corner, the alphanumeric code 'M19703' is printed in a white, sans-serif font.

M19703

The image features a repeating pattern of dark green hexagons arranged in a honeycomb lattice. The hexagons are set against a light gray background with a fine, grainy texture. The lines forming the hexagons are a solid, dark green color. The pattern is consistent across the entire frame.
